

## APPENDIX ONE

### Infrastructure Assets

Westlawn Tigers football club provides and maintains infrastructure assets to enable the enjoyment and operation of football at Barnier Park. Infrastructure assets include the provision of goal posts, line-marking assets, lawn mower, seating facilities and change room fixtures and fittings. There is limited capacity to improve or upgrade infrastructure assets without development of a strategic plan that is supported by Clarence Valley Council.

### Canteen Assets

Westlawn Tigers operates a canteen facility at Barnier Park. It aims to generate a profit to be reused within the club to increase our capacity to resource our players and facilities. Canteen assets include: Double glass door drink fridge, microwave oven, convection oven, 2 x freezers, fridge freezer, Oil Fryer, Automated Coffee Machine, Slushy Machine three tray food warmer, P.A. System, various shelving and an Urn. The canteen assets provide current functionality, but are approaching the end of their useful life. Our club is seeking to develop an asset policy that provides for replacement of current assets and installation of new assets.

### Football Program Assets

We aim to provide sufficient, quality football assets to enable our players to effectively participate in training and competitions throughout the region. Assets provided for use by our members include: Playing strips, balls, training accessories, nets, corner posts, drink bottles, kit bags, mini-roos nets and kits. Quantum and quality of football program assets are considered at the close of the current season and prior to commencement of the subsequent season.

### Other Sundry Assets

Westlawn Tigers also owns and maintains miscellaneous assets to deliver on our objectives. These assets include: portable goals, BBQ and gas bottles, pressure cleaner, marquees, bench seats, massage tables, outdoor tables and wheelie bins.
